

Senior Consultant

Location:

Reporting into New York City Head Office, location flexible depending on terms agreed with the successful applicant.

Hours of Work:

Full time, 45 hours per week, Monday to Friday, between hours of 09:00 - 18:30.

Start Date:

As soon as possible. Please indicate your earliest possible start date on the cover letter.

About the Company:

Eunomia Research & Consulting is an independent and ethical environmental consultancy. We are a mission-oriented business and our goal is to be influential in bringing about positive change: we embrace this in all that we do.

Eunomia work primarily in the fields of waste management, resource efficiency, circular economy, low carbon energy, marine planning and climate change mitigation. We employ around 100 staff and have offices in the UK, Brussels, Athens, New York and Auckland.

Job description:

You will be involved in a range of activities including directing projects, bid management, client relationship management, line management and acting as technical lead. You will also undertake complex excel based modelling, desktop research, and report writing. You will be involved in or lead multiple projects at once, from supporting state and province governments develop circular economy and plastics-based policy based on in-depth financial, technical and social cost benefit modelling, to supporting major corporations in redesigning their packaging or production processes.

You will be flexible with a strong work ethic, and feel comfortable simultaneously leading and delivering a number of technical projects and bids under pressure. You will be a self-starter, highly organized, and share our commitment to a high quality of work. You will be proficient at writing technical reports as well as distilling key data in to management reports and infographics. A personal interest in, and commitment to, environmental and sustainability issues is expected.

Essential Criteria:

- 7+ years of experience of project direction and delivery in a range of waste and resources management areas ensuring on time, and budget delivery and client satisfaction.
- Strong technical understanding of the collection, processing and reprocessing of different material streams along with systems, programs and policy to create a circular economy.
- Strong modelling skills that will allow you to coach and train others and quality review model outputs.
- Demonstrable experience of winning \$300k p.a. of new and/or repeat client work.
- Demonstrable experience of highly effective line management.
- Demonstrable experience of applying creative, practical, common sense thinking to solve real-world problems.
- Experience of working within a consultancy business model.
- Well-versed at public speaking including on webinars and can deliver technical content to a diverse audience.

Desirable:

- Experience of working with and securing funding from foundations and donor organizations.
- A strong client network complementary to Eunomia's existing network.
- An existing sales pipeline of opportunities appropriate to Eunomia's business.
- Known within the industry as a waste management professional.

Remuneration

Dependent on qualifications, experience and location.

Benefits

- 401K retirement plan with Employer contributions up to 4% of salary, on a match funding basis after 6 months of service.
- On the 1st of the month after two full calendar months of employment, you will be eligible for life insurance.
- Sick leave of 7 days per calendar year (pro-rated for part years), with no carry over to the following year.
- On the 1st of the month after two full calendar months of employment, you will be eligible for a health plan.
- 15 days annual leave entitlement, plus 8 public holidays (pro-rated for part-year working), rising by one day for each additional year's service to a maximum of 20 days.

Application Information

In order to be considered all applications should be submitted electronically to jobs@eunomia.co.uk and must include the following:

- 1) **A formal covering letter (maximum 2 pages) should be submitted in a word format, not PDF** addressed to Sarah Edwards summarising your reasons for applying for the post, your suitability for the post and why you would like to work for Eunomia.
- 2) **A resume (maximum 2 pages) to be submitted in a word format, not PDF** and contain all of the necessary information required by Eunomia.
- 3) All applicants must have a visa to be able to legally work in the US or Canada.
- 4) The application process will remain open until the position is filled.

Hardcopy applications and resume-only applications will not be considered.
